## PREFACE

As in the compilation of our previous Check lists, this Check-list of Legislative Journals makes no attempt to note more bibliographical data than was considered necessary for identification purposes. All unnumbered printed pages not included in the numbered series have been listed separately, although brackets have been omitted for the sake of economy. Abbreviations are in all instances obvious.

The preliminary research incident to the compilation of this Check-list was done at the Rhode Island State Library, the Massachusetts State Library, the New York Public Library and the Congressional Library in Washington. Printed state lists were submitted to the librarians of co-operating libraries in each state for their approval.

The compiler makes special acknowledgment to Miss Lucy B. Foote, Miss Dorothy L. Hawkins and Miss Jim P. Matthews for the use of their unpublished Bibliographies of Louisiana, Delaware and Arkansas state documents; to Mr. Julien C. Yonge, Editor of the Florida Historical Society Quarterly; to Mr. E. G. Swem, Librarian of the College of William and Mary; to Prof. W. S. Jenkins of the University of North Carolina; and to the librarians of State, University and Historical Society libraries who have made this revised edition possible. To Mr. Clarence F. Allen, Librarian of the Rhode Island State Law Library, we are especially indebted for his continued courtesy in providing convenient working facilities for the Editorial Assistant. To Mr. Allen and those above mentioned we extend our sincere appreciation.
